

| CARBON ROAD | Beschreibung | Größen |
|-------------------------------|---|-----------------------|
| RAN DB | Monocoque carbon fiber frame type MRC MR 60 UD, Monocoque carbon fork UD internal disc brake cable, conic steering 1"1/8 - 1"1/4, Expander and headset included, Seat clamp two bolts for 27,2 ID seat tube, BB PF 30, suitable for electronic devices; inner cables routing, and mechanical devices; external cable routing, disc brake post mount | XS - S - M - L - XL |
| RAN | Monocoque carbon fiber frame type MRC MR60 UD, Monocoque carbon fork k-21 UD conic steering 1"1/8 - 1"1/4, Expander and headset included, seat clamp two bolts for 27,2 ID seat tube, BB PF 30, suitable for electronic devices; inner cables routing and mechanical devices; external cables routing | XS - S - M - L - XL |
| SUPER SCURO RC | Monocoque carbon fiber frame type IM 600 UD, Monocoque carbon fork RS UD conic steering 1"1/8 - 1"1/2, Expander, headset and adjustable aero seat post included, BB BSA, suitable for electronic devices and mechanical with inner cables routing | XS - S - M - L - XL |
| SUPER SCURO EVOLUZIONE | Monocoque carbon fiber frame type IM600 3K, Monocoque carbon fork EDG 3K conic steering 1"1/8 - 1"1/2, Expander and headset included, integrated aero seat post, BB BSA, suitable for electronic and mechanical devices with inner cables routing | XS - S - M - L - XL |
| NERISSIMO | Monocoque carbon fiber frame type T700S UD, Full carbon fiber fork STREAM UD conic steering tube 1"1/8 - 1"1/2, Expander and headset included, Seat clamp 2 bolts for seat tube ID 31,6 mm, BB BSA, suitable for electronic and mechanical devices with inner cables routing | XS - S - M - L - XL |
| GLADIATORE | Monocoque carbon fiber frame type T700S UD, Full carbon fork STREAM UD conic steering tube 1"1/8 - 1"1/2, Expander and headset included, Seat clamp 2 bolts for seat tube ID 31,6 mm, BB BSA, Inner cable routing | XS - S - M - L - XL |
| CARBON TIME TRIAL | | |
| FLASH TT | Monocoque carbon fiber type MRC MR60 UD, Monocoque carbon fork smooth steering 1"1/8 suitable for cantilever brakes, Headset and integrated forged 3D stem with expander included, Adjustable aero seat tube included, BB BB86 alloy, suitable for electronic and mechanical devices with inner cables routing | S - M - L - XL |
| METAL ROAD | | |
| TITANIUM K-19 | Titanium frame Dedacciai K-19 tubes with anterior triangle grade 9 and rear triangle grade 2, Monocoque carbon fork RS 3K conic steer 1"1/8 - 1"1/2, Expander and headset included, Seat clamp 2 bolts for seat tube ID 31,6 mm, BB BSA | S - M - L - XL - XXL |
| ACCIAIO | Steel frame Dedacciai DR-Zero tubes, Monocoque carbon fiber F-14 UD conic steering 1"1/8, Expander and headset included, Seat clamp 2 bolts for seat tube ID 31,6 mm, BB BSA | S - M - L - XL - XXL |
| ALLUMINIO | Alloy frame Dedacciai Aegis tubes, Carbon fork alloy conic steering 1"1/8 - 1"1/2, Expander and headset included, Seat clamp 2 bolts for seat tube ID 31,6 mm, BB BSA | XS - S - M - L - XL |
| CARBON MTB | | |
| SKYLINE EVO | Monocoque carbon fiber frame type MRC MR60 UD, Full carbon fork F72 UD conic steering 1"1/8 - 1"1/2, Expander and headset included, Seat clamp 2 bolts for seat tube ID 31,6 mm, BB PF92, Internal cables routing, Disc brake post mount, Available without fork | 15" - 17" - 19" - 21" |
| SKYLINE 27.5" | Monocoque carbon fiber frame MRC MR60 UD, Headset 1"1/2 included, Seat clamp 2 bolts for seat tube ID 31,6 mm, BB PF 92, Internal cable routing, Disc brake post mount | 15" - 17" - 19" - 21" |
| METAL MTB | | |
| TITANIO 29 | Titanium frame Dedacciai K-19 tubes with anterior triangle grade 9 and rear triangle grade 2, Monocoque carbon fork F72 conic steer 1"1/8 - 1"1/2, Expander and headset included, Seat clamp 2 bolts for seat tube ID 31,6 mm, BB BSA | S - M - L - XL |
| ACCIAIO 27.5 | Steel frame Dedacciai DR-Zero tubes, Conic steering 1"1/8 - 1"1/2, Headset included, Seat clamp 2 bolts for seat tube ID 31,6 mm, BB BSA | S - M - L - XL |
| CARBON CYCLOCROSS | | |
| SUPER CROSS | Monocoque carbon fiber frame MRC MR60 UD, Monocoque carbon fork F-80 UD conic steering tube 1"1/8 - 1"1/2, Expander and headset included, Seat clamp 2 bolts for seat tube ID 27,2 mm, BB PT92, Disc brake post mount with inner anterior cable routing, Internal cables routing | S - M - L - XL |
| SUPER CROSS VB | Monocoque carbon fiber frame MRC MR60 UD, Monocoque carbon fork F-75 UD conic steering 1"1/8 - 1"1/2, Expander and headset included, Seat clamp 2 bolts for seat tube ID 31,6 mm, BB BSA, V-brake system | S - M - L - XL - XXL |
